19th July 2010
1 - 3 pm and 4 - 6 pm**

Proposals for a new multi-agency resource Centre of excellence, including a Youth Centre, with facilities for children and young people with additional needs and disabilities and their parents / carers

Come and find out more and see the plans

The Specialist Support and Disability Service invites you to this informative event.

You will have the opportunity to view the co-location plans, meet service providers and tour the Centre. The new proposed Centre will offer exciting opportunities and facilities for children and young people with additional needs and disabilities and their parents/carers.

There will also be an opportunity for parents, carers and young people to share their thoughts with service providers about how the Centre might best be used for short break provision in the future.

We look forward to seeing you there.
