

18th March 2010

Dear Parent/Carer,

Saturday and Holiday Clubs

We are pleased to have received good feedback in response to our after school clubs and to the Christmas Shopping Day that we offered in December. As you may be aware we have run a few pilot schemes on behalf of Bromley Borough in recent holidays for children with autistic spectrum disorders and feedback on these has been good.

We are currently exploring ways to extend these opportunities for us to offer support by providing Saturday and holiday clubs. We are therefore submitting an application for funding to provide these for all our pupils as well as children and young people with similar needs across the Borough.

We are planning to use our fantastic resources both at the St Pauls Cray and the Beckenham sites and would supplement activities by bringing in outside workshops and entertainments. Additional trips could be organised to add variety and extend opportunities for social interaction. Our parent surveys have indicated that there would be support for these services.

If you have any ideas for activities that you would like to see offered or if you would like to support our application to provide these services, please could you complete and return the slip below. It would be helpful if responses could be returned by Wednesday 24th March.

Yours sincerely,

Sue Crane
School Business Manager

Child's Name _____ Class _____

I would support Riverside School's application for funding to provide Saturday and Holiday Clubs.

I would like to see the following activities included _____

Signed _____ Date _____
