18th May 2010

Dear Parents and Carers,

Sunday Sessions in the Hydrotherapy Pool: Riverside School, St. Paul's Cray: 13th June, 27th June, 11th July

We are offering the use of our school hydrotherapy pool to our children, parents and siblings on the above Sunday mornings between 9.00 am - 12.30 pm starting Sunday 13th June 2010. Our Site Manager will only open the pool if we have been notified by parents that they will be attending. This can be done by either email (admin@riverside.bromley.sch.uk) or by 'phone (01689 870519) and you will need to let us know by the Thursday before the relevant Sunday at the very latest.

If you intend to use the hydrotherapy pool at any time, we also need to ensure that adequate safety precautions are satisfied and I would be grateful if you could complete and return the slip below confirming that there will be at least two responsible adults present, one in the water and one at poolside. The person at poolside should be able to see all children and young people in the pool and be able to effect a rescue in the event of someone getting into difficulties and summon the emergency services if needed. I'm afraid that you will not be permitted to visit our pool if this hasn't been completed and returned.

Can I please remind everyone that we would appreciate a donation of £5.00 per family per swim to help us cover costs (there is a collection tin in the pool area) and the pool is to be vacated by 12.30.

We have had some very expensive and sophisticated sound and light equipment installed in the pool area. Sunday swimmers should not use this equipment unless they have received training. If any parents would like to undertake training, this can be organised. Please ring the school to enquire.

Yours sincerely,

Sunday Sessions in the Hydrotherapy Pool: Riverside School, St. Paul's Cray

I confirm that there will be at least two responsible adults present, capable of effecting a poolside rescue, one in the water and one on poolside, when using the hydrotherapy pool at Riverside School.

I will ensure I am familiar with the emergency equipment and location of the emergency telephone.
