

LTM Early explorers

SEN mornings at the Museum

For younger visitors with Special Educational Needs (SEN), including Autistic Spectrum Disorder (ASD), we are opening early on four special days. Enjoy the Museum at a quieter time, free from the general public. Take part in interactive workshops and demonstrations and make use of our new Sensory Bags to help you explore the collection. Many of the sounds in the Museum are switched off, making it a peaceful place to visit.

Advanced booking is essential for both the Families and Schools morning sessions as places are limited. **Please call 020 7565 7298** to book your place now.
