Dear Stakeholder,

RE: Proposal to establish nursery provision at Riverside School from Summer Term 2018

Following prior consultation with stakeholders during 2017, the London Borough of Bromley has now published statutory proposals to extend the age range of Riverside School. This will allow the school to admit nursery age pupils from Summer Term 2018. I attach a copy of the consultation documentation.

The consultation period will run 15 January 2018 to 13 February 2018, lasting four weeks.

If you wish to submit any comments please do so by contacting:

Robert Bollen, Head of Strategic Place Planning, London Borough of Bromley, Civic Centre, Stockwell Close, Bromley BR1 3UH or by emailing:
school.organisation@bromley.gov.uk

As part of the consultation a further public meeting will be held on the proposal at 7pm on Wednesday 24 January 2018 at Riverside School, Main Road, St. Paul's Cray, Orpington, Kent, BR5 3HS.

Following the end of the statutory consultation the comments received will be compiled and considered by the Portfolio Holder for Education, Children and Families in making the decision on whether to proceed with the extension of the school's age range to admit nursery aged children.

Many thanks for your interest in the proposal.

Yours Sincerely

Robert Bollen, Head of Strategic Place Planning
