

Riverside Connect presents:

The Sharing Sofa

Dear Families,

For our final **Riverside Connect** event of the school year, we are hosting a "Sharing Sofa". This is a chance for Riverside families to come together and share their experiences, stories and challenges of having a child with special educational needs. Lisa Mason will be sharing some of her experiences and humorous stories as mum of Gemma, and it would be great for some of our parents/carers/grandparents/siblings etc. to also share some of theirs.

**The event will take place at Riverside St Paul's Cray on
Thursday, 6th July from 10:00 - 11:30**

Please complete and return the slip below if you are able to attend and/or share.

We would love to see you there.

Amy Skelton and Lisa Mason
