***Stories from a proud sister***

## **Welcome.**

Come along to our second Riverside Connect where we will talk about our future Connect events.

**Amy Skelton** and **Lisa Mason** will be sharing details of all future topics and family events that are happening throughout the year.

## **Stories from a proud sister:**

We are extremely privileged to have **Amelia Georgiou** speaking about her brother Nic, who attends Riverside School. She will be giving us all an insight into growing up with a brother with Autism. We would also welcome any other families to share stories as we know how important it is for our families with children with special educational needs to come together and share experiences.

**All family members and friends are welcome.**
