### ***Expressive Arts***

Expressive Arts at Riverside school is formed of regular creative sessions, clubs and performances in Dance, Music, Drama, Art and Communication. Come along to our workshop to hear more about Expressive Arts.

## ***Expressive Arts :***

At Riverside School, every pupil has access to express themselves and perform through creative and fun engaging sessions that are planned to contribute to well-being, happiness, creativity, building confidence, understanding of themselves/each other and the world, developing/supporting communication, supporting empathy and tolerance of others, exploring, creating, sharing, celebrating and more. We are passionate about providing regular opportunities for pupils to thrive in the arts. At Riverside we have community projects, family projects, lunch clubs, phase performances, public theatre performances, innovation projects and a weekly regular timetable of expressive arts sessions for each and every child. We wish to take every Riverside family on an Expressive Arts journey with us and hope to share ideas that can be used at home and also invite families to work with us in the very near future. Sit back, relax and join us for a chat, biscuit and relaxation as we take a look at Expressive Arts at Riverside so far.

This session will be lead by **Chantal Cook**, Head of Expressive Arts.

**We are really looking forward  
to seeing you all there.**
