

# Thank you!

It was so wonderful to see so many familiar and NEW faces at our last Riverside Connect meeting. The meeting was a workshop about Sensory storytelling and on the front are a few photos from the day. We love getting you involved!

I also hope you enjoyed look at our new **Library Bus**!

We would love to see more faces at our Riverside Connect meetings. It's a great opportunity to chat to other parents and get ideas to use at home. Also if you would feel more comfortable bringing a family member or friend along with you please do so, the more the merrier!
