

## **Team Teach**

Kerry Reed and Diane Dalton are qualified 'Team Teach Employer's Tutors'.

Team Teach is a holistic approach to supporting pupils with their behaviour and emotional regulation. Working closely with pupils' Happiness Passports, class teams plan how to offer a curriculum, communication support, and if reasonable, proportionate and necessary Restrictive Physical Interventions (RPIs) to ensure pupils are able to access their curriculum and keep themselves and others safe.

This positive handling approach, adopts a 95% non-physical interventions model, to be applied when supporting with behaviour. Although taught as part of the two day Foundation Course, the RPIs taught are only to be used as a very last resort and only when agreed as part of the pupils' happiness passport.

All staff who work with pupils are trained in Team Teach.
