**Legend** (definition): Famous, admired by many, iconic, a celebrity. Danny, this one's for you ...

Danny Houghton, Britain's finest secret agent,  
Mixing business with girls and thrills

I've seen you walk the screen, it's you that I adore  
Since I was a boy I've wanted to be like Roger Moore  
A girl in every port, and gadgets up my sleeve  
The world is not enough for the both of us it seems  
So I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away  
And I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away

Hello Mr Bond, I've been expecting you  
Martini in your hand, and that eyebrow that you move  
Don't take this the wrong way, I know it might sound odd  
I'm the next double 0, I'm the right man for the job  
So I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away  
And I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away

And I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away  
And I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away  
And I wish I was James Bond, just for the day  
Kissing all the girls, blow the bad guys away  
Darren and Kerry and Louis and Jody  
and maybe one day me.
