

## Anton

For Anton, a true friend ... and as the saying goes:

“Good friends are like stars, you don’t always see them but you know they’re always there”.

“Anton had a wonderful life, he was stimulated to the max, he never had a quiet moment ... he was a pickle and a joy in our life. He had an amazing character, you just had to laugh, and he enjoyed his toys so much he jumped out of his chair to have floor play. I think of the smiles and laughs we had and I know he made you all laugh especially his raspberry blowing, I know he would have been a Champion world record holder – that’s a fact. Just to think back to the days when Anton was floppy and sleepy, he grew from strength to strength and he definitely had the strength of Popeye”.

They say “sing like no one’s listening, dance like no one’s watching” but Anton, when you sing, people are listening, and when you dance, people are watching.

Never stop dancing x
