

Our autism friendly visual guide to
**Travelling through
Gatwick Airport**

YOUR LONDON AIRPORT
Gatwick

Arriving at Gatwick

There are lots of ways to get to Gatwick

By bus

By train

By coach

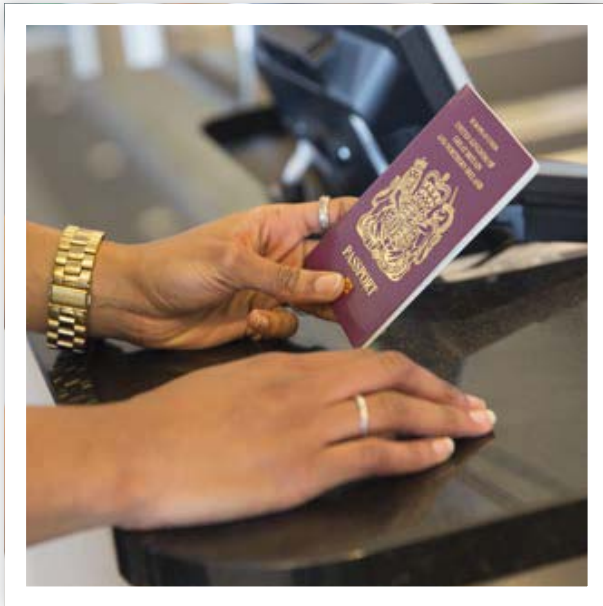

By car

I have **arrived** at Gatwick

Checking in

Have you got your passport and boarding card?

Passport check

Bag weighed and labelled

The label goes on your bag. The label tells everyone whose bag it is, which plane it is going on and where it is going.

Your bag gets put on the plane by an airport worker.

Bags taken to plane

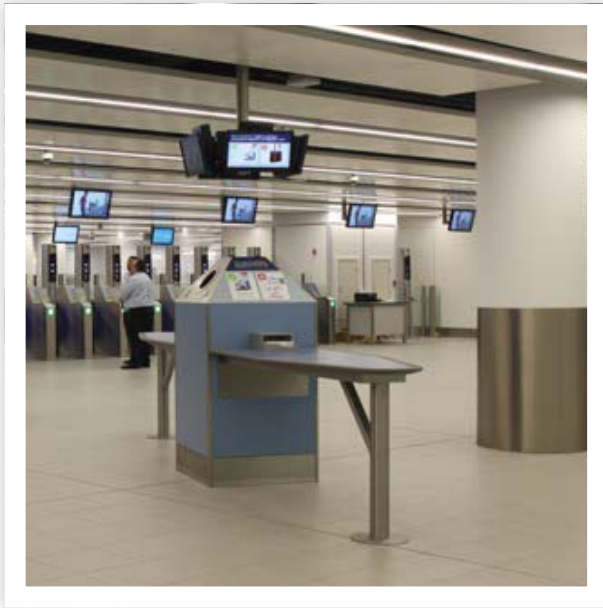

I have **checked in**

Security

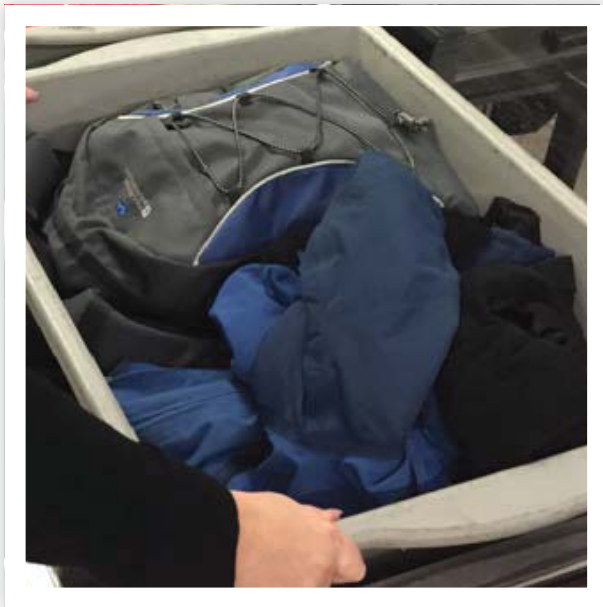

You'll get a plastic tray to put your belongings in which have to be checked

Preparing for **security**

Put your **liquids** into a bag

Put your belongings **into a tray**

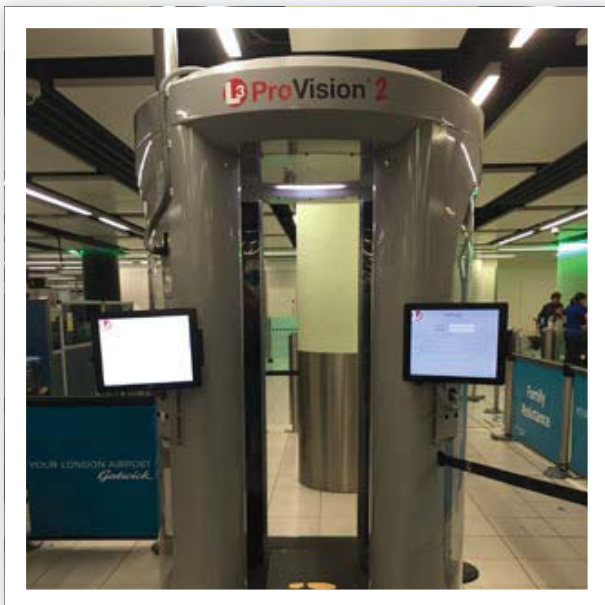

Including any **metal items** and **electronic items**

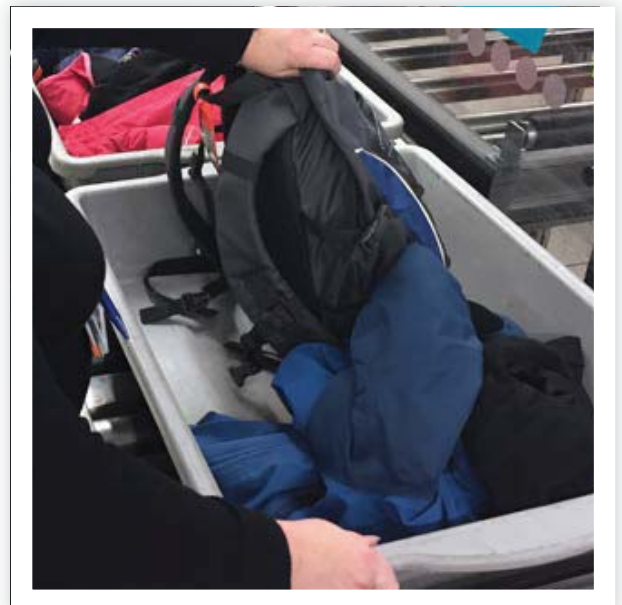

Your tray **goes through an x-ray**

Walk **through a metal detector**

You might **go into a security scanner**

Collect all your **belongings**

I have gone through **Security**

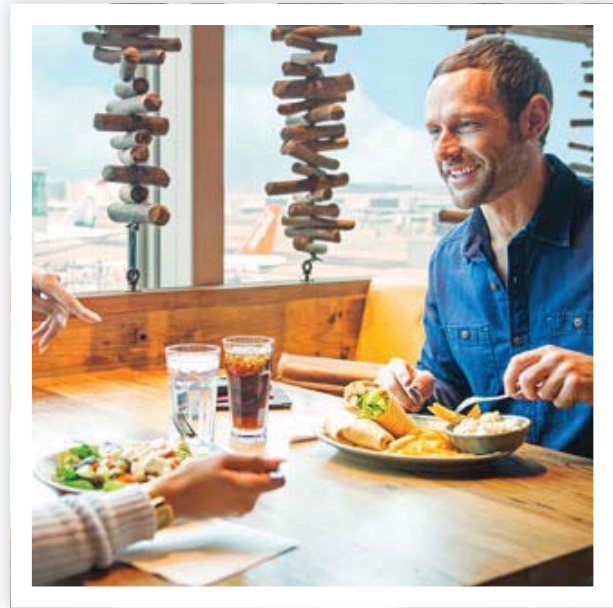

Departure lounge

After Security there are shops and places to eat and drink

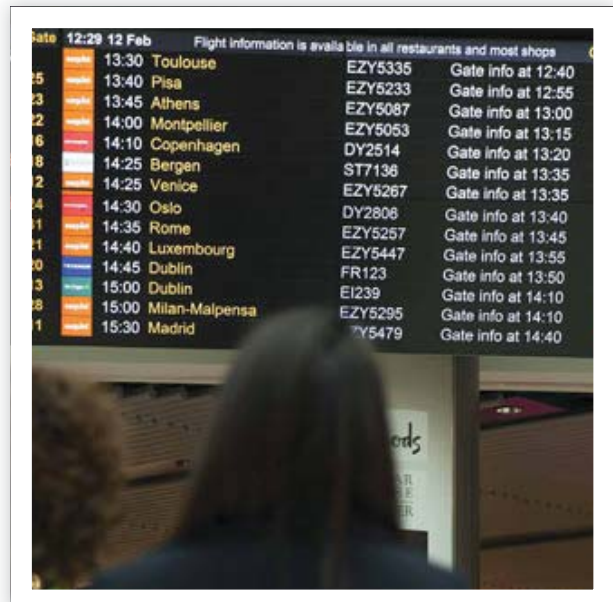

Shops

Places to **eat and drink**

A big screen with flight information will tell you where your plane is parked and when to start walking to it.

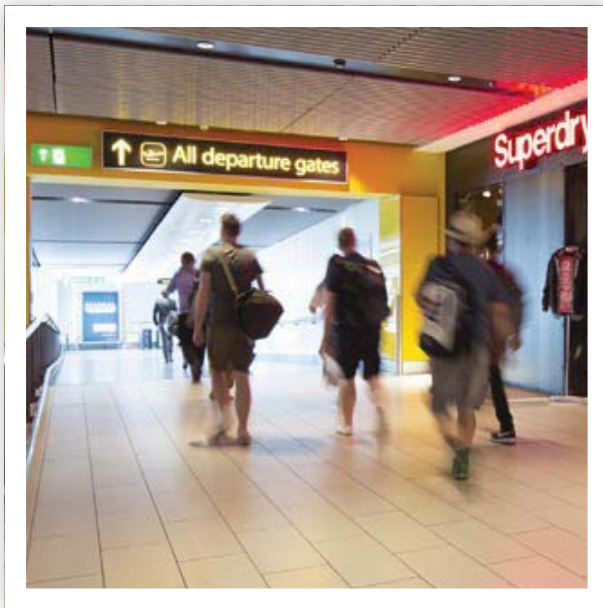

Information screens

I have been to the **Departure lounge**

Walking to your plane

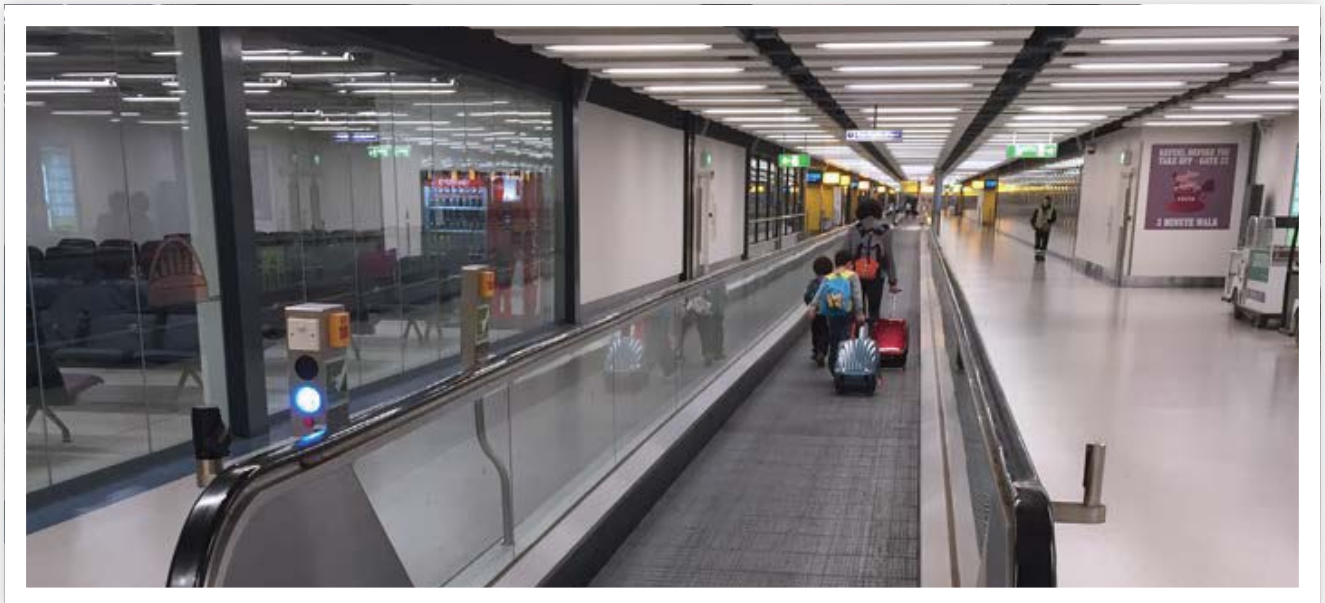

Follow the signs for your
Departure gate number

Walk to your **gate**

Allow **time** to get there

You are **nearly there** now

I have walked to the **Departure gate**

Departure gate

When you get to your Departure gate, check you are in the right place

Wait for your flight **to be called to get onto your plane**

Your **passport and boarding card** will be checked

You **walk onto your plane**

You **find** your seat and put your seatbelt on

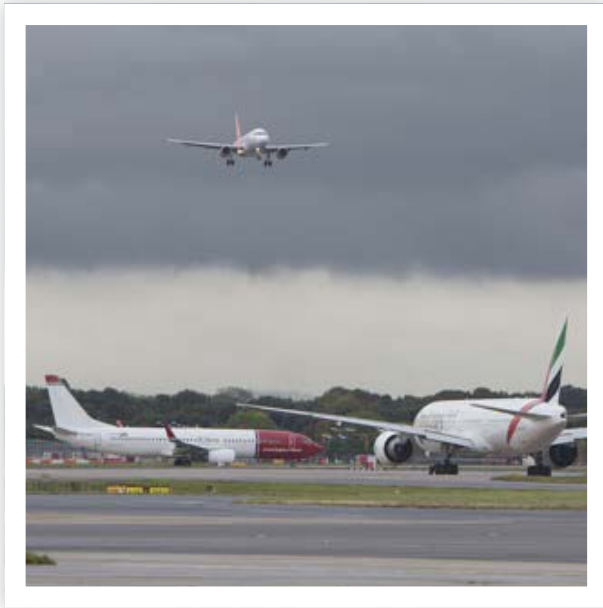

Time to take-off

I have got onto **my plane**

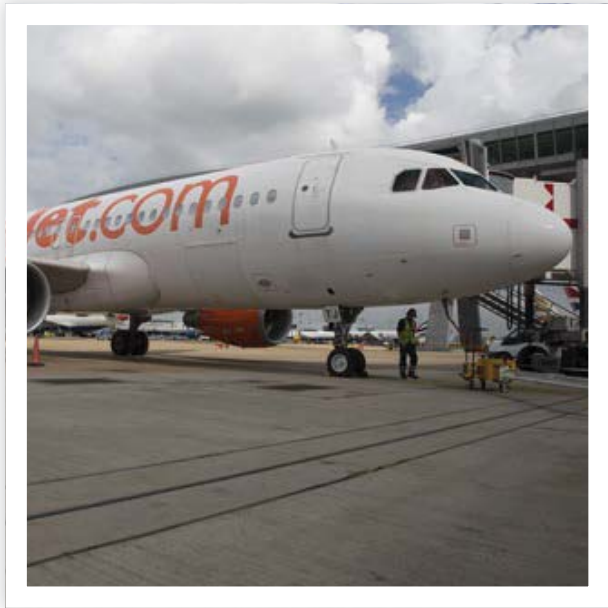

Coming home

When your holiday is finished
you come back

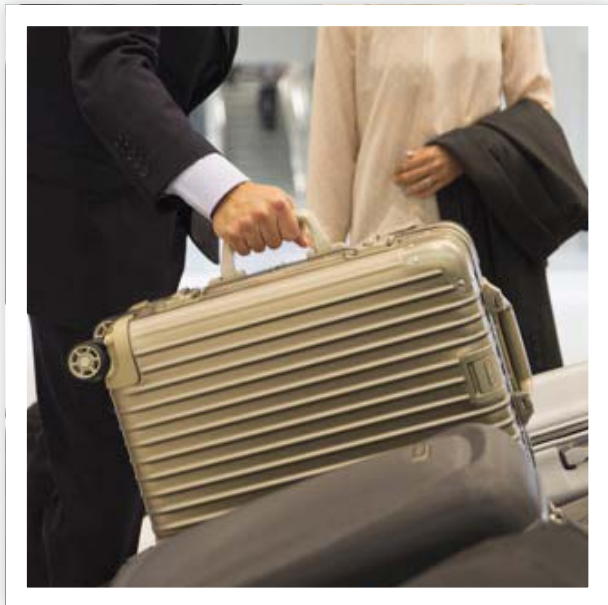

You land back at **Gatwick**

Your **plane parks**

Your **passport is checked**

You **collect your bag**

I have arrived at **Gatwick**

Things to look for
