

Charity Swimalong

for

London's
Air Ambulance
Charity

organised by

Rotary Club of Beckenham

at

West Wickham Leisure Centre
Station Road, West Wickham, BR4 0PY

on Saturday 30th October 2021 between 4pm and 7pm

We need swimmers of any ability to take part in our challenge to swim a cumulative marathon. We welcome individuals or teams to help us reach our 42 kilometres target in three hours and raising funds for London's Air Ambulance. You can swim at West Wickham (or elsewhere by arrangement). In 2019 over 30 swimmers easily achieved the marathon target, so help us do it again!
