

SEN SPORTS

SPORT SHOULD BE **INCLUSIVE AND ACCESSIBLE** TO EVERY CHILD

No child should be excluded from sport because of a visual, mental or learning disability. Sports is adaptable...every child should have access to professional sports provision and active play. At TENACITY SPORTS, every child is encouraged to showcase their sporting prowess, make new friends and be involved in individual and team sporting activities, regardless of any disabilities or difficulties they may have.

These SEN SPORTS sessions are specifically aimed at and structured for children who have been diagnosed with or are thought to have, Special Education Needs (SEN). The legal definition of SEN is -

“A child or young person who has a learning difficulty and/or a disability that means they need special health and educational support.”

Tenacity Sports will ensure that reasonable adjustments are put in place so that a child's SEN are not a barrier to accessing and enjoying sport.

Come and join us for some structured, inclusive, active sports. The sessions are aimed at boys and girls aged 5 to 14. Activities will include -

FOOTBALL, CRICKET, TAG-RUGBY, BOXING, TAEKWONDO, ARCHERY, HOCKEY, FENCING, BASKETBALL, TENNIS, BOCCIA, HANDBALL, ATHLETICS, GYMNASTICS, DANCE, INFLATABLE GAMES and COMMUNICATION & LEADERSHIP GAMES
