### The 'Where is' song

What you will need:

A light mirror or a phone on 'selfie' mode

What to do:

To the tune of 'Frere Jacques' (the nursery rhyme) we sing:

**Where is .....**

**Where is .....**

(We then turn the mirror/phone round to face child)

**There he/she is**

**There he/she is**

**Say hello to .....**

**Say hello to .....**

**Tap you knees**

**Tap your knees**

(alternatively the child can choose which part of the body to tap)
