

# **Your PSFA Needs You!**

**Riverside Parents, Staff and Friends Association (RPSFA) is a registered Charity which organises events both for fundraising and to provide opportunities for families to meet and socialise. For example, the PSFA organise events like the Christmas and Summer Fair to raise additional funds which can further enrich our pupils learning experiences. These events also provide valuable opportunities for families to meet each other.**

**We would like to invite you, or members of your family and friends, to join the PSFA and be as involved as you are able to. We plan to host one meeting per term (over Zoom) and we would love to see you there.**

**Please do join us; make some new friends alongside helping to support our Riverside community.**

**For further information or to sign up to help, please contact Lauren Mullan or Lisa Mason at:**
