

11th November 2020

Dear Families,

I hope that you are all safe and well.

Further to my letter dated 9<sup>th</sup> November, I write to advise you of a new positive COVID-19 case in one of our Secondary classes. This bubble is already self-isolating, however, the self-isolating period will now be extended to 14 days from the last possible contact with the new case.

**All families have been informed so, if you were not contacted, your child is not affected** but, as stated previously, our core values include *Integrity* and *Trust* and it is therefore important to us that the whole school community are aware of any positive cases that arise within the school.

With kindest regards,

Steve Solomons  
Headteacher
