

E-Safety Talk for Families

'Keeping your child safe on the internet.'

Riverside School is dedicated to ensuring that pupils have the knowledge and skills to stay safe online. For some children, the online environment plays a significant part in their lives.

We also know for adults there is a lot of information, and that it can be difficult to know what help and support is out there to help them.

We have invited Traci Good, who specialises in Online Safety to deliver a workshop to parents about the amazing opportunities that the internet has to offer our children and also a look at some of the risks that our children may face and how to deal with them if they happen.

When: 29th March 2023

Time: 12:00 Noon

Location: Riverside St Paul's Cray

If you would like to attend, please sign up by [CLICKING HERE](#) or return the slip below to the school office.

E-Safety Talk for Families 29/03/2023
