

13<sup>th</sup> May 2022

Dear Families,

I hope that you are all well.

We have had another action-packed week at Riverside School and plans are well underway for a number of exciting events scheduled in the coming months. Please refer to last week's letter for our Summer Term calendar and further details about additional events will follow soon.

There were many highlights both in and out of class this week, including our Transition Event for families of children in Y9 and above. For those of you who were unable to attend, please click [HERE](#) for all the presentations and information shared on the day. In drawing your attention to this particular event, I thought I would take this opportunity to remind you that our website contains a lot of information that we hope you find helpful, including:

[Useful contacts and links](#)[Events and items of interest](#)[Resources for families](#)

I would also like to draw your attention to another link. Our free, pre-loved school uniform platform has been re-stocked and we have a selection of pre-loved school uniform in good condition and in a range of sizes. We also have a very large selection of free, brand new, never-worn children's shoes from Russell and Bromley in a range of styles and sizes and we would love these to go to a good home. Please click [HERE](#) if you would like anything and all requests will, of course, be handled sensitively.

And, as a final link today, if your child is aged 5-11 and they received their first COVID-19 vaccination at school in March, our colleagues from Oakfield Surgery are returning to give the second vaccinations on Friday 20<sup>th</sup> May. If you previously gave consent and would like your child to have their second jab next week, please click [HERE](#) and in the meantime, please don't hesitate to contact Oakfield Surgery on 0208 776 6514 if you have any questions.

So, quite a few links this week and I hope you find them useful. If you think we have missed anything or would like anything else included, please don't hesitate to get in touch.

Wishing you all a lovely weekend,

Steve Solomons  
Headteacher
