

10th February 2022

Dear Families,

We are delighted to be sending home your child's Unique Profile (UP).

Your Child's UP is a true celebration of all the progress they have made since September, following their first PLP of this academic year being written.

Within their UP, the class teacher has documented the achievements they have made within each of their 6 PLP focus areas, and included an additional 6 areas of progress to celebrate and share with you.

We really hope you enjoy reading your child's UP as much as we enjoyed writing it. We love having the opportunity to share with you all of the amazing and unique steps of progress your child has made.

Please read through your child's UP at your leisure, this copy is for you to keep and refer to. We hope it will make it up on to your fridge, to celebrate and share for all to see. We are very proud of all of their achievements and progress made so far this academic year.

Your child's next PLP will be written after half-term and this will be shared with you in March.

Please do complete the attached PLP form and send it back to school after half term. This will help us to ensure that we are all working together to identify and focus on the areas that truly matter for you as a family.

As always, please feel free to contact your child's class teacher or myself if you would like to discuss their UP or any other areas concerning your child's education.

We wish you a very happy and healthy half-term.

Yours sincerely,

Charlotte Downs
Deputy Headteacher
