

2nd July 2021

Dear Families,

Our class teams are busy preparing every pupil's Unique Profile; 'UP'. This is the document which highlights all the achievements they have made within their PLP focus areas. We also want to include and celebrate an achievement from home and need your assistance to be able to do this in a meaningful way. We know that our pupils make progress at home in ways in which we may not even be aware and this is a fantastic opportunity to recognise and celebrate these together.

Please fill out the template below and send it back to school via the home-school contact book. Your class teacher will then ensure this is written up and included in the completed UP. Please share anything that has had a positive impact on your home life together.

An example may be, 'He can now join in with our family dinner and wait until everyone is finished'. 'She can now read the menu and make a choice on our family meal out'. 'He can now smile and show enjoyment when tickled by his sister'. 'He can now put his cup down once he has finished his drink without tipping it over'. 'She can now tolerate having her teeth brushed'. 'He can now confidently ride a bike'. 'She can now sign for more, which has reduced her frustration at home'. 'He can now talk to new people and has made a friend at his football club'.

We look forward to receiving your contributions. Please could we have these by Monday, 5th July.

Yours sincerely,

Charlotte Downs
Assistant Headteacher
