

24<sup>th</sup> September 2021

Dear Families,

We are currently in the process of writing your child's Personal Learning Plan (PLP). In order to ensure we are taking into account all of your hopes and wishes, we would like to ask you to complete the section attached and send it back to school next week, on Monday, 27<sup>th</sup> September.

Your class teacher will then use the information gained from this and from conversations they may have had with you previously to help write your child's personalised curriculum. We have included your child's key support TAs in the process and also consulted with therapists and other professionals that are supporting your child this year in order to write their first PLP of the academic year. It is important that together we identify the most important outcomes and ensure that what we are teaching every day will work towards achieving them.

We want these PLPs to make a real difference to the life of your child and your family. They are aspirational and go towards supporting the personalised and holistic curriculum which we deliver at Riverside School.

The Educational Health Care Plans involve creating outcomes for your child's future. Our PLPs will continue to support this process and ensure there are no missed opportunities to enable your child to reach their full potential and Be All That They Can Be.

Your child will receive two PLPs each academic year. The first will be completed and sent home in October which will be reviewed and celebrated with you in the form of their Unique Profile (UP) in February, and the second will be completed in March which will be reviewed and celebrated with you in July.

As always, please feel free to contact your child's class teacher if you would like to discuss these outcomes or anything else concerning your child's education.

Yours sincerely,

Charlotte Downs  
Assistant Headteacher
