

27<sup>th</sup> February 2023

Dear Families,

We continue to aim for Personal Learning Plans (PLPs) to make a real difference in your child's life; they are aspirational and go towards supporting the personalised, holistic curriculum, which we deliver at Riverside School. Your child receives two PLPs each academic year, giving them the time needed to make substantial progress towards the set focus areas and to fully consolidate their learning.

To support your child's teacher in writing their next PLP, please complete the below box to let us know your current priority areas or any other information you would like to share. Please send this back to school with your child by Wednesday 1<sup>st</sup> March. If you have just had your child's Annual Review you may have discussed this with them already, if so please do not feel you need to complete this in addition.

If you would rather speak to your child's Class Teacher or Teaching Assistant then please put a note in the contact book or phone in to school and this will be arranged. It is really important to us that we hear your voice and make sure your priorities are reflected within your child's PLP.

Class Teachers will also use information gained from previous conversations/correspondence they have had with you or the class team and will consult with therapists such as Speech and Language Therapist, Physiotherapist, Occupational Therapist and other professionals that may support your child. Where appropriate, they will also use your child's previous PLP and Unique Profile (UP) to help plan their appropriate next steps.

### **Pupil Name and Class -**

Please let us know any areas you would like us to support your child with as part of their personalised curriculum:

Yours sincerely,

Charlotte Downs  
Deputy Headteacher
