

6th May 2022

Dear Families,

I hope that you are all well.

Despite this being a shorter week, we have certainly tried to make the most of it and we are all very much looking forward to the many events planned over the next three months. As promised in last week's letter, we are pleased to share the Summer Term calendar with you today and further details about individual events will follow in due course. You will see that some are open to families whilst others are in-house only, and we will always try to capture and share those special moments with you if you are unable to attend. As always, please do not hesitate to contact your child's class teacher if you would like any further information about your child's experiences at school – we really do want to provide you with the information that is most meaningful for you.

Whilst every event listed below is an important one, I wanted to draw your attention to two in particular. Firstly, Parents' Evenings are an opportunity to meet your child's new class team for September and this year, we would like to give you the option to choose whether to come into school and meet the team in person, or if it is more convenient, to do this via zoom instead. Secondly, we are delighted to be able to organise a Summer Fair again this year, after having to cancel the previous two due to the pandemic. This year's Fair will simply be an opportunity for our school community to come together as one – and we warmly welcome families from all three sites to what we plan to be a relaxed, festival-type occasion. We really hope that you can make it.

Date	Time	Event	Site	Families invited?
