

8th December 2020

Dear Families of Pupils at Riverside West Wickham,

I write to inform you that Central Government designates our school premises at Riverside West Wickham as the official polling station for the local area.

The London Borough of Bromley has informed us that the UK Government is planning for the elections (postponed from earlier this year) to be re-arranged across Great Britain to Thursday, 6th May 2021 and, therefore, polling stations need to be secured in advance

Please make a date in your diary to note that Riverside West Wickham will be closed for pupils on Thursday 6th May 2021 to facilitate the elections.

Yours sincerely,
