Dear Families,

We are delighted to share and enclose your child's Unique Profile (UP).

Your child's UP is a true celebration of all the progress they have made since their last Personal Learning Plan (PLP) was written. Within their UP, the class teacher has documented the achievements they have made within each of their PLP focus areas and included additional personal areas of progress to celebrate.

We hope this will enable you to see for yourself some of the learning, progress and fun that they have had with us so far this academic year. We really hope you enjoy reading your child's UP as much as we enjoyed writing it, and we hope that it will make it up on to your fridge, to celebrate and share for all to see. We are very proud of all of their achievements and unique steps of progress made so far this academic year.

Please enjoy reading through your child's UP and note that this copy is for you to keep and refer to.

As always, please feel free to contact your child's class teacher or myself if you would like to discuss their UP or anything else.

We wish you a very happy and healthy half term and we look forward to seeing you very soon.

Yours sincerely,

Charlotte Downs  
Deputy Headteacher
