# Happiness Passports

We invite you to join us as we endeavour to create a document that is as pupil and family centred as our PLPs and UPs and that captures important information about our pupils' **happiness** and **wellbeing**. This will be a fantastic opportunity for you to be part of this innovative and exciting initiative which will support and shape your child's wellbeing on their journey from childhood to adulthood.

**Holly Wheatley**, Teaching, Learning & Wellbeing Lead and **Amy Skelton**, Assistant Headteacher will be leading this workshop and will also be joined by **Katrina O'Leary**, Chair of the Governing Board.

*We are really looking forward to seeing you all.*
