Candidates (in alphabetical order)

**Candidate A - Fernandes, Roger**

I have thoroughly enjoyed my first four years serving as a parent governor at Riverside. I was thrilled to take the lead with the parent and carer surveys, which gave our families another platform from which they could be heard. If re-elected, I will continue to strive to serve the Riverside community to the best of my ability.

**Candidate B - Hooper, Maria**

**Candidate's Statement** (maximum 60 words)

I currently have 3 children on roll at Riverside, I believe I can give a good insight into what our families need & expect from the school  
I have experience in business related endeavours

**Candidate C - Solomon, Saddaf**

My son is five years old; Riverside School has transformed his life and ours. Education will look different for each child (particularly our children with additional needs) and I'm passionate about every child having the best educational opportunities and experiences possible.

I work in Human Resources leading on projects and policy development, some of these skills may be useful as a Parent Governor.
