# COMMUNITY EXPERIENCE 2020

## WHY?

At Riverside School we are extremely passionate about building links within our local community and beyond. Community inclusion and participation enables our pupils to learn more about the world around them and helps to raise awareness of what our young people can teach others. Together, we would like to build a better future.

## WHEN?

Our Community Experience fortnight will be during the week commencing Monday 4<sup>th</sup> May and all pupils within Key Stage 4 and 5 will take part.

Community Experience for each pupil will be completely personalised to their individual needs and interests, and timings will reflect this. A member of Riverside staff will be accompanying and staying with our pupils on every placement. We would also like to invite members of the community into school to share their work with our pupils.

We would also very much like to extend our community experience to times throughout the year as well. If you feel you would offer regular time slots please do contact us.

## 2019 COMMUNITY EXPERIENCE

In June 2019 several local businesses supported our school by providing community experience opportunities for our Key Stage 4 and 5 pupils. All placements were extremely successful and both pupils and employers benefited hugely from these opportunities.
