

Riverside School

Community Experience 2022

Why

At Riverside School we are extremely passionate about building links within our local community and beyond. Community inclusion and participation enables our pupils to learn more about the world around them and helps to raise awareness of what our young people can teach others. Community Experience enables pupils to participate in a range of activities which can help to develop their work related independent skills required for future training and employment.

Together, we would like to build a better future.

When?

Monday 20th June to Friday 1st July 2022

How?

We need your help to make this happen...

Building on the success we had last year, we would like to continue to explore creative ways for our pupils to engage in Community Experience opportunities. We would love you to be involved in any way you feel able to...

Are you able to provide a video demonstrating what your job role entails and then set a challenge for our pupils to complete?

Are you able to provide a Q&A session via video call?

Are you able to invite pupils into your place of work? (this would be fully supported by school staff)

Are you able to come into school to provide a workshop?

If you feel you are able to support us in any way please contact Clare Collett by Monday 23rd May 2022:
