We invite pupils and staff to join us to celebrate the final of the Euros 2020 (England vs Italy) by wearing the colours of your chosen favourite team or your favourite country. Who will it be?

We are looking forward to the football fun

We are very excited to share with you that we have joined efforts with **#SupportStVincent**. They are a community of people working together to raise awareness of the devastating effects that have occurred since the eruption of the La Soufriere Volcano in Saint Vincent and the Grenadines on the 9th April 2021.

To date the volcano has erupted over 30 times. Scientists are estimating that it may take up to a year for it to slow down. The impact has been significant across the Island and they need help in many ways.

Part of the support campaign which has particularly resonated with us, is their mission and focus to completely equip and restore three special needs schools that have been affected. This is a goal that they know will take time, but with help from different organisations and places like us, we are confident that we can help to make a difference.

We want to create a long lasting positive and reciprocal relationship with the schools that we are planning to support through **#SupportStVincent**. Our planned fundraiser on Friday is just the beginning and we will continue to keep you updated and informed on all ongoing progress and development.

Where is your contribution going?
