

Tuesday 21st July 2026

Dear Families,

We are delighted to share your child's Unique Profile (UP) and end of year celebration photo montage.

Your child's UP is a true celebration of all the progress they have made since their last Personal Learning Plan (PLP) was written. Within their UP, their class teacher has documented the achievements they have made within each of their PLP focus areas, and included additional personal areas of progress to celebrate and share with you.

We hope this will enable you to see for yourself some of the learning, progress and fun that they have had with us this academic year. We really hope you enjoy reading your child's UP as much as we enjoyed writing it, and that it will make it up on to your fridge, alongside the photo montage, to celebrate and for all to see. We are very proud of all of their achievements and progress made this academic year.

We love having the opportunity to share with you, all of the amazing and unique steps of progress your child has made.

Please read through your child's UP. This copy is for you to keep and refer to.

As always, please feel free to contact your child's class teacher or myself if you would like to discuss their UP or anything else.

We wish you a very happy and healthy Summer holiday and we look forward to seeing you very soon.

Yours sincerely,

Charlotte Downs
Deputy Headteacher
