

WORK AND COMMUNITY EXPERIENCE 2019

WHY?

At Riverside School we are extremely passionate about building links within our local community and beyond. Community inclusion and participation enables our pupils to learn more about the world around them and helps to raise awareness of what our young people can teach others. Together, we would like to build a better future.

WHEN?

Our Work and Community Experience Week will be during the week commencing Monday 6th May and all pupils within Key Stage 4 and 5 will take part.

Work and Community Experience for each pupil will be completely personalised to their individual needs and interests, and timings will reflect this. A member of Riverside staff will be accompanying and staying with our pupils on every placement. We would also like to invite members of the community into school to share their work with our pupils.

2018 WORK EXPERIENCE

In June 2018, several local businesses supported our school by providing work and community experience opportunities for Key Stage 4 and 5 pupils.

Community experience links from 2018 included:

- Raglan Primary School
- Sarah's Florist
- Go-Coach
- Department of Education
- TK hairdressers
- Teresa's gardening
- Cutting Remarks
- Kirk Window Cleaning

All placements were extremely successful and both pupils and employers benefited hugely from these opportunities.
