

Jungle Animal Massage

Massage up and round
forearms keeping contact
throughout with a slithering
action. Make a quiet hissing
sound.

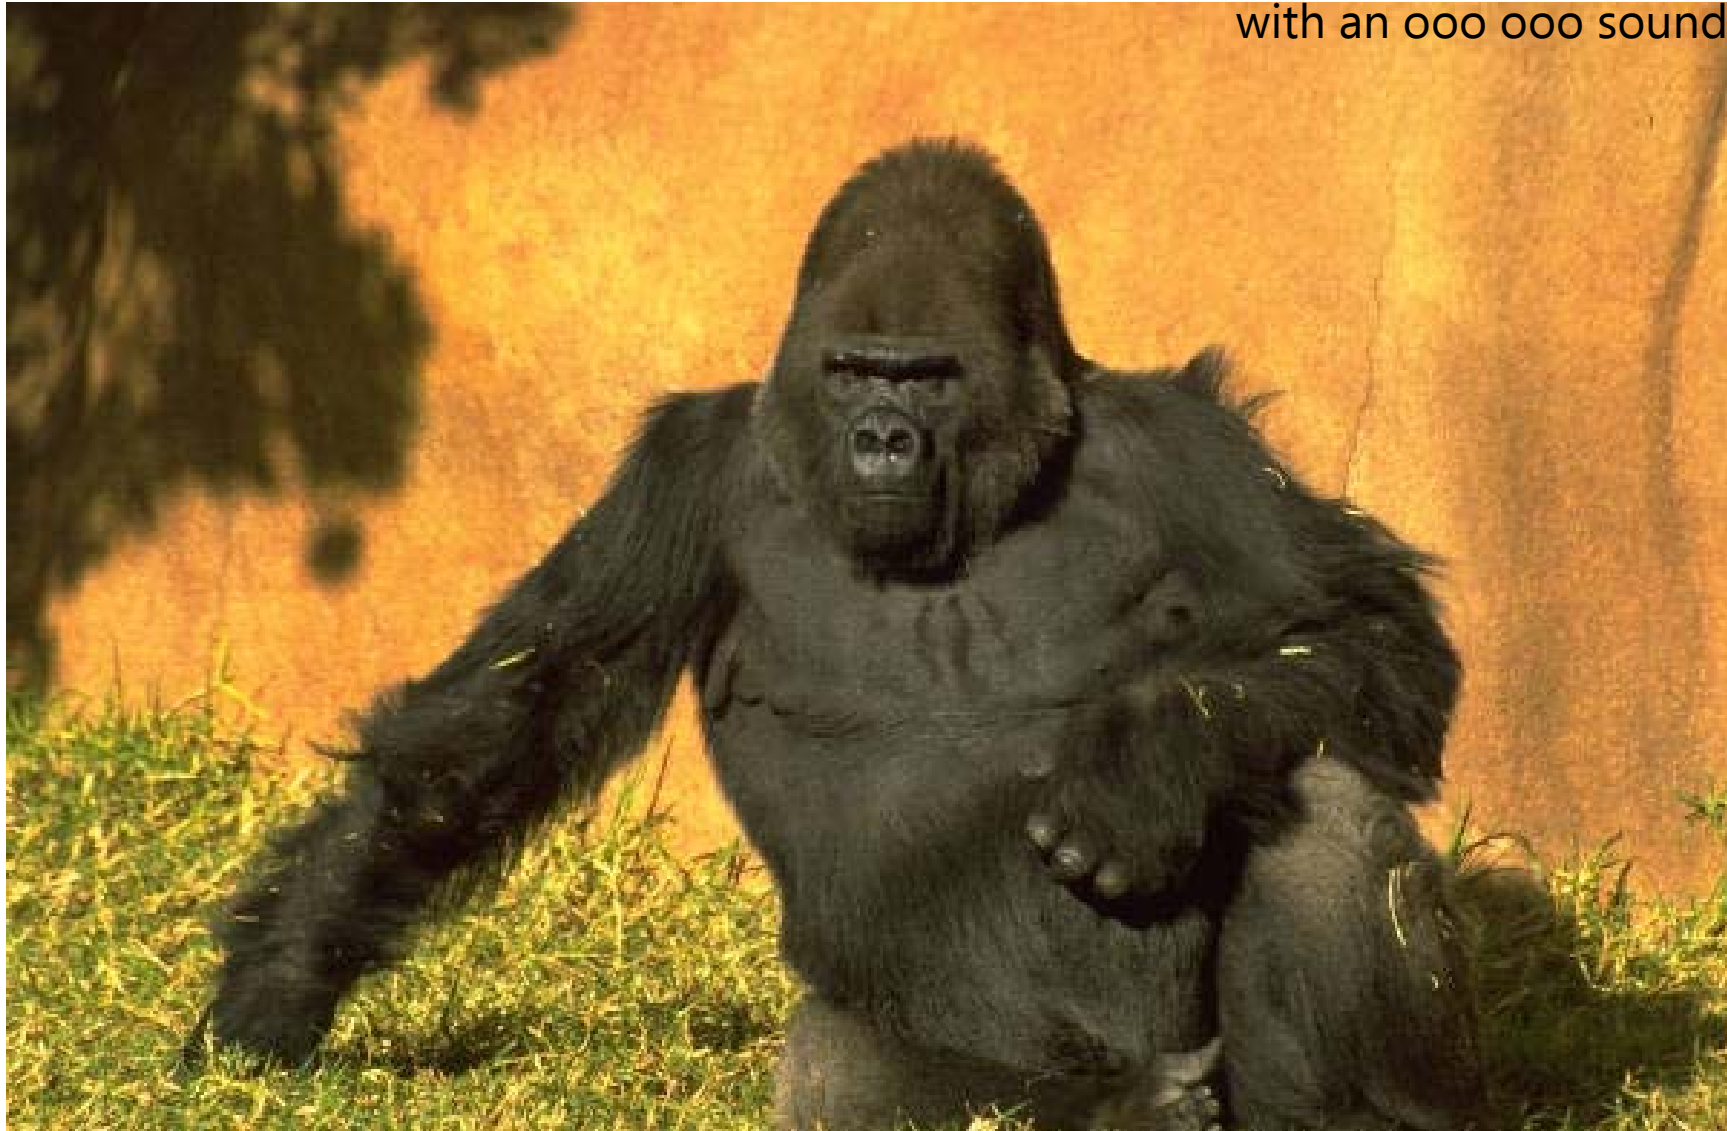

Snake

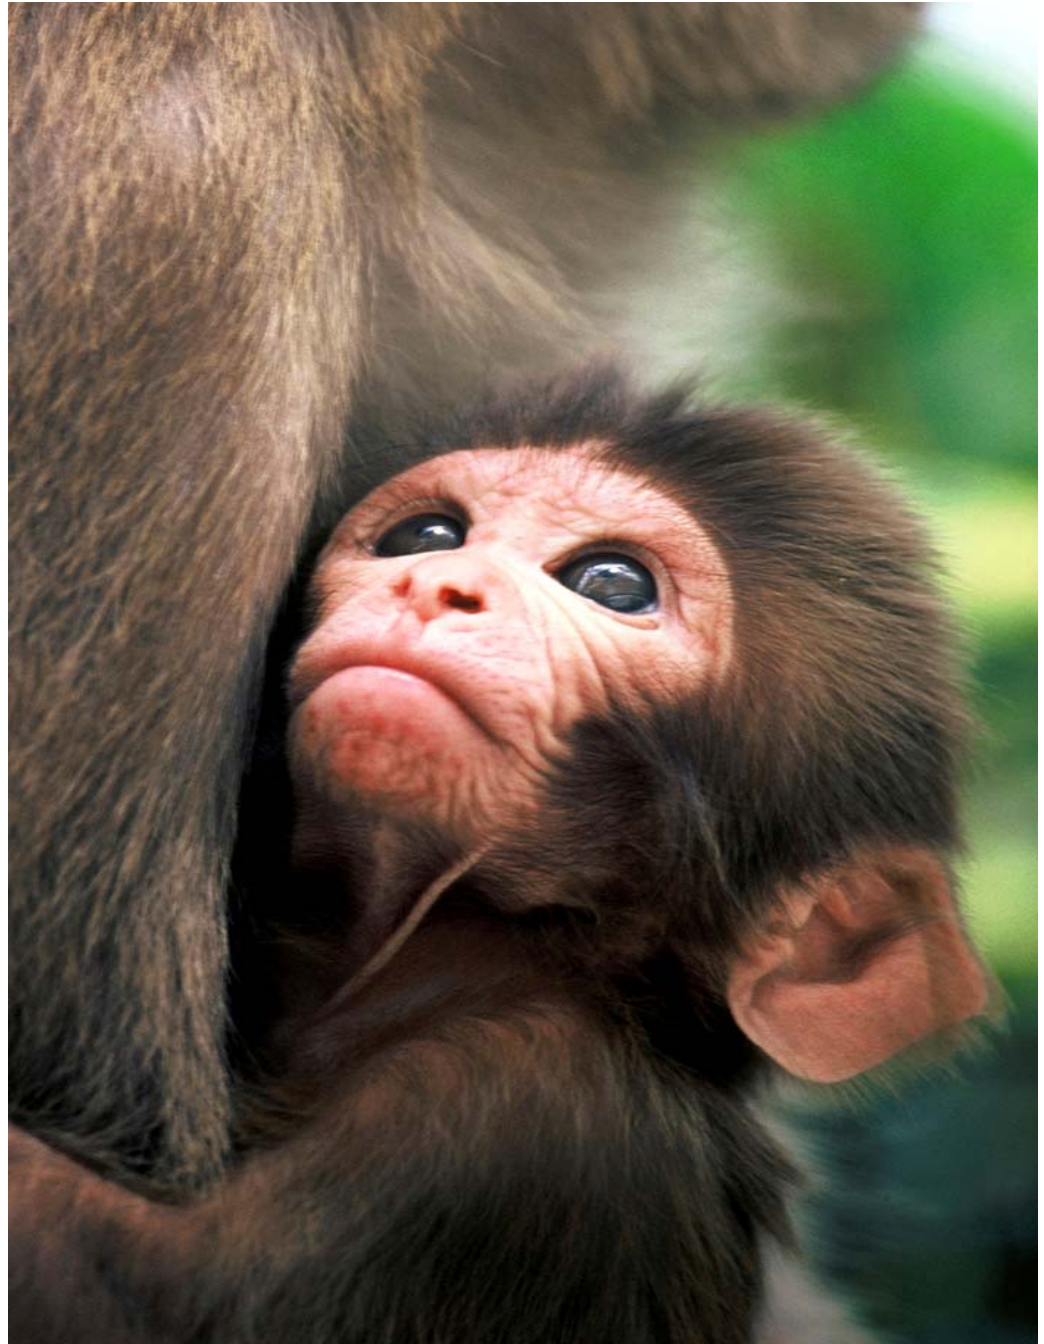

Gorilla

Clap one of your hands against students hand with an ooo ooo sound.

Hold onto students hand and swing their arms from side to side.

Monkey

Jungle ants

Finger tips walking fast and light from 1 hand up an arm, across back of the shoulders or over the head, then down the other arm and hand.

Tiger

Claw hands, scratch
students back or
down arms.

Antelope

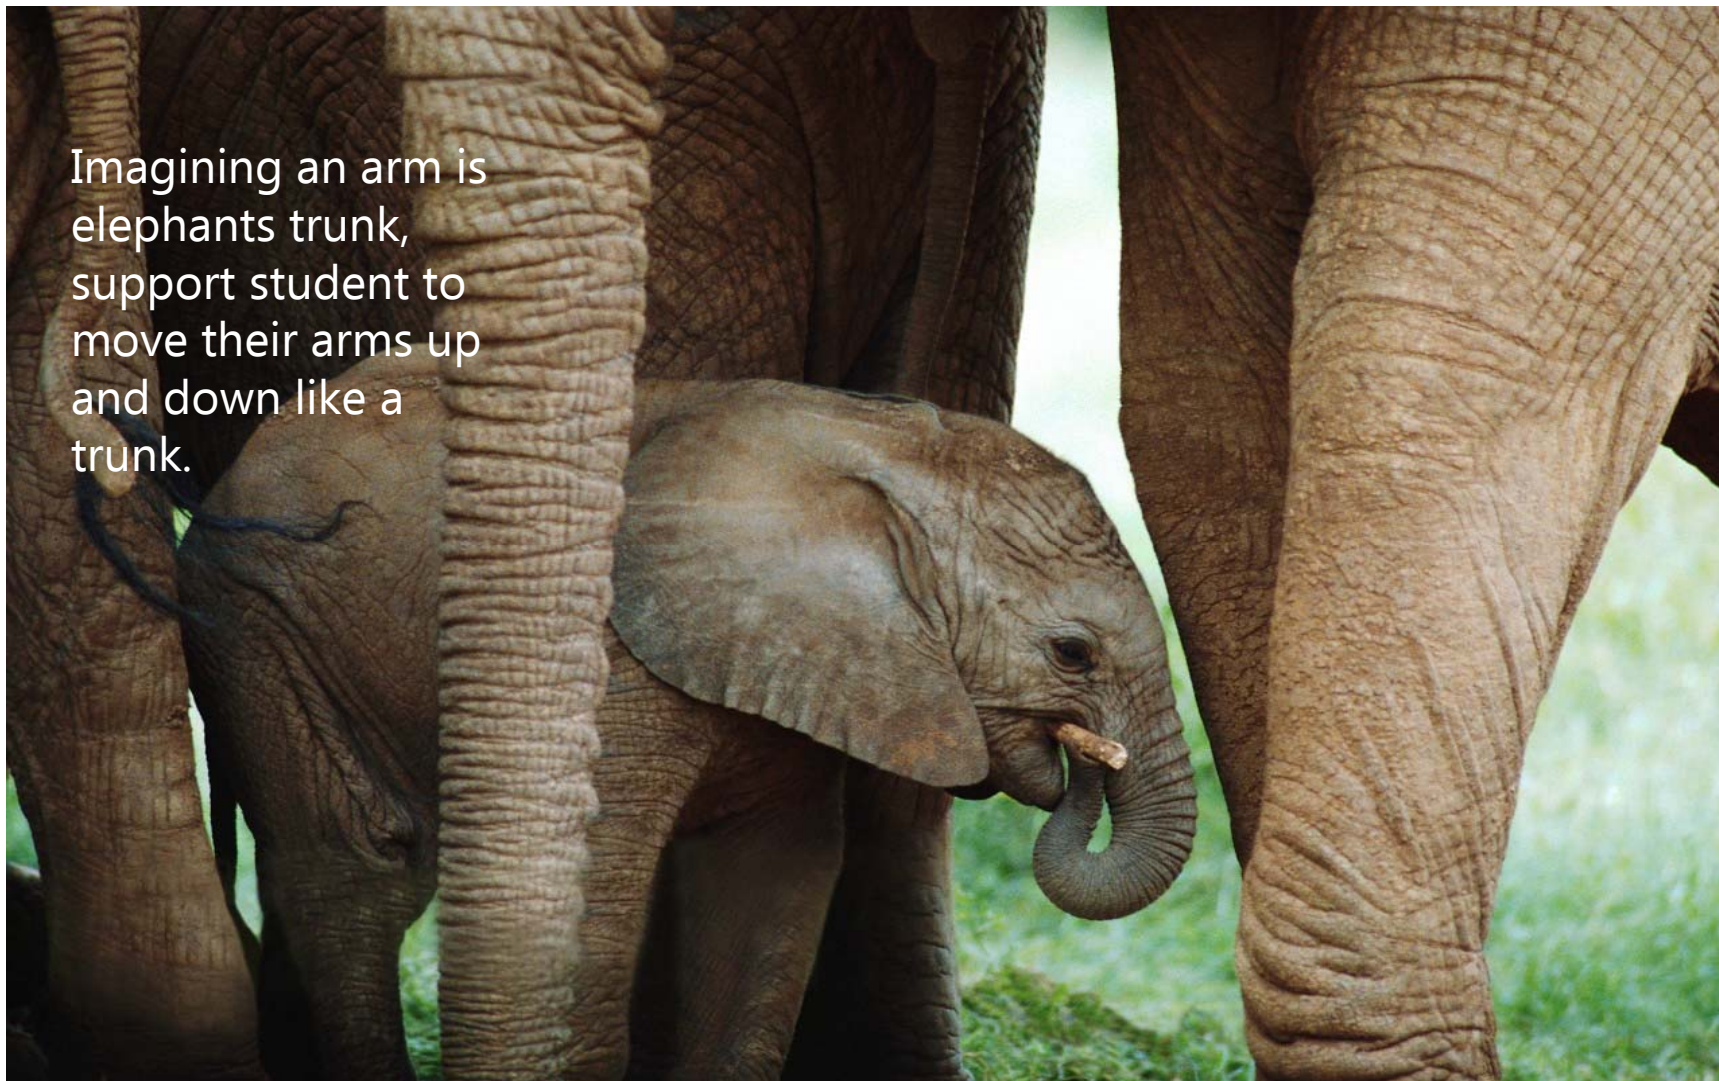

Firm finger tap to gallop on students arms/legs as if the antelope is running away.

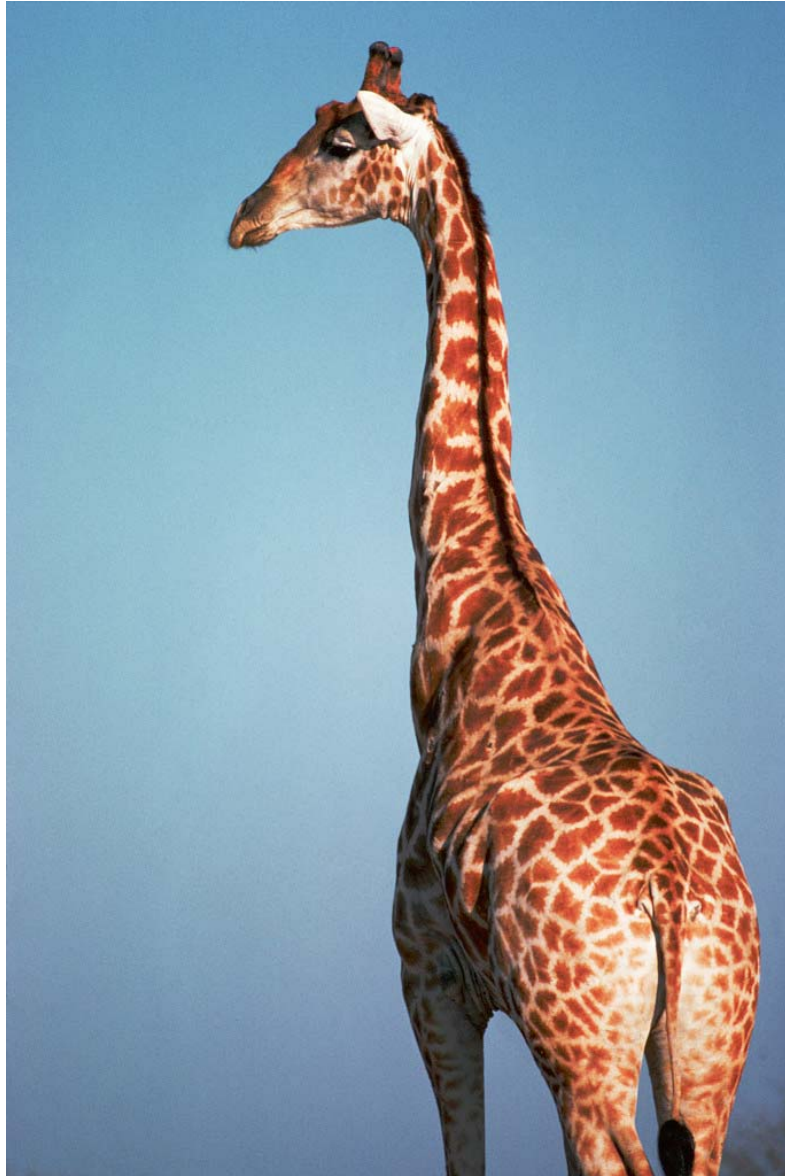

Elephant

Imagining an arm is
elephants trunk,
support student to
move their arms up
and down like a
trunk.

Gentle upward strokes on the neck encouraging elongation of the neck. Then rub cheeks gently as if giraffe is chewing a leaf.

Giraffe

Alligator

Snap snap with
hand up the
students arm
making an
alligator mouth
between thumb
and fingers.

Give students a tickle!!!
Encourage laughing
hyenas.

Hyena

Finished!!
